CERTIFICATION PACKAGE FOR 2012 McLaren MP4-12c

JK Engine Family – GJ3XJ03.8MP4
JK Evap. Family – GJ3XR0164MP4

McLaren Family – CMLNV03.8MA1
McLaren Evap. – CMLNR0164MBZ

Dear Dave,

2012 (Tier 2 Bin 5)

This is a complete Certification Package for a McLaren MP4-12c. It has all sections completed. ALL parts and programs used in this vehicle are OEM and the vehicle has been inspected by McLaren Cars USA. This is the worst case vehicle in the family. If there are other questions please call me on the above listed numbers. Thank you for your kind attention to this package and accompanying requests.

Regards,

Jonathan Weisheit, Project Engineering
JK Tech.

Encloses: 1. Fee payment sheet

WARRANTY, LABELS AND SERVICE INFORMATION

JK Technologies, LLC

3500 Sweet Air St.

Baltimore, Md. 21211

To whom it may concern:

This vehicle's emissions system components, parts and software is covered by warranties from both JK Technologies, LLC and an independent warranty / insurance company. For further information please contact JK Technologies, LLC., 3500 Sweet Air St., Baltimore, Md. 21211. By phone 410-366-6332 or by fax 410-366-7655 or by email at Convert2us@aol.com.

This warranty is transferable from owner to owner. If there is no service center within 50 miles, warranty work may be performed by the service center of your choice. Parts and labor will be covered as set forth in section 207 of the USC and in part 85 of 40 CFR sub-part V.

Part 1: Emission Control Systems - Limited Warranty Coverage - 8 Years/ 80,000 Miles

For the term of 8 years from the limited warranty effective date, or 80,000 miles in addition to the mileage on the original odometer as of the limited warranty effective date (whichever occurs first), the ICI (Warrantor) warrants to the vehicle owner, and each subsequent purchaser during the term of this Limited Warranty, that the engine installed in the above-referenced vehicle has been equipped so as to conform on the Limited Warranty Effective Date with all U.S. Emissions standards applicable on the Limited Warranty Effective Date, and that the parts listed are free from defects in materials or workmanship which cause it not to meet those standards. The ICI (Warrantor), pursuant to this limited warranty, will pay for 100% of the warranted parts and 100% of the labor charges to repair or replace the Warranted Parts that fail during the Limited Warranty term. Failures other than those resulting from defects in material or workmanship, and which arise solely as a result of owner abuse and/or lack of proper maintenance, are not covered by this Limited Warranty.

IMPORTANT

The ICI's (Warrantor's) obligation to adjust, repair or replace any Warranted Parts as may be required hereunder is the sole and exclusive remedy available to the Warranty Holder and such obligation is in lieu of all other express warranties; any implied warranty of merchantability or fitness for a particular use or purpose applicable to the Warranted Parts is limited in duration to the Term of this Limited Warranty. In addition, the ICI (Warrantor) shall not be liable or responsible for any incidental, consequential, commercial or exemplary losses or damages resulting from (i) a breach of this Limited Warranty, (ii) any implied warranty or (iii) failure of any part of the vehicle.

Note: The Emission Control System Performance Limited Warranty does not apply to any vehicle that has been in operation for 60,000 miles or more as of the Limited Warranty Effective Date.

GENERAL

The ICI (Warrantor) does not authorize any person to create for it any obligation or liability other than that expressly set forth herein in connection with the owner's vehicle.

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damage, so the above limitations or exclusions may not apply to all vehicle owners.

This Limited Warranty gives specific legal rights to the Vehicle Owner and may also involve other rights which vary from State to State.

CLAIMS PROCEDURE TO BE FOLLOWED BY VEHICLE OWNER

Take owner's vehicle to the ICI (Warrantor) to obtain service under the Emission Control System Defect Limited Warranty or Emission Control System Performance Limited Warranty. Call the Administrator on the toll-free number listed below for assistance and authorization to perform the adjustment, repair or replacement.

If the ICI's (Warrantor's) facility is not within 50 miles, call the Administrator for assistance in locating an authorized repair facility and for authorization. Adjustments, repairs or replacements under this Limited Warranty may be performed by any qualified repair facility that is authorized by the Administrator. IMPORTANT: THE WARRANTY HOLDER ASSUMES ALL LIABILITY FOR PAYMENT OF UNAUTHORIZED REPAIRS.

Those adjustments, repairs or replacements qualifying under a Limited Warranty will be performed at no charge to the Vehicle Owner. Adjustments, repairs or replacements that do not qualify will be charged directly to the vehicle owner. In all cases, if an adjustment, repair or replacement is covered under a Limited Warranty, the Vehicle Owner will be notified within a reasonable time (not to exceed 30 days) after receipt of the vehicle by the authorized repair facility, or within the time period required by State or local law. Exceptions will be allowed only if the Vehicle Owner requests or agrees to an extension, or if a delay results from events beyond the control of the ICI (Warrantor) or the authorized repair facility. If the Vehicle Owner is not so notified, the Vehicle Owner may be eligible to receive all required emission performance repairs at no charge.

If after your claim has been correctly processed, you believe you did not get the Limited Warranty coverage described, you may contact: Warranty Complaint Compliance and Innovative Strategies Division, Environmental Protection Agency, 2000 Travenwood Drive, Ann Arbor MI 48105.

Emission-related Hoses, Clamps, Belts, Pulleys, Tubes, Fittings, Sealing Devices, Mounting Hardware and Wiring Harnesses used on the above Warranted Parts

IMPORTANT

The ICI's (Warrantor's) obligation to adjust, repair or replace any Warranted Parts as may be required is the sole and exclusive remedy available to the Warranty Holder and such obligation is in lieu of all other express warranties; any implied warranty of merchantability or fitness for a particular use or purpose applicable to the Warranted Parts is limited in duration to the Term of this Limited Warranty. In addition, the ICI (Warrantor) shall not be liable or responsible for any incidental, consequential, commercial or exemplary losses or damages resulting from (i) a breach of this Limited Warranty, (ii) any implied warranty or (iii) failure of any part of the vehicle.

Some states and local jurisdictions have laws that require certain inspection and maintenance programs to encourage proper operation of your vehicle. If an EPA-approved I/M program is in force in your area, you will be eligible for Emission Control System Performance Limited Warranty coverage if the following conditions are met:

- 1 The vehicle must be maintained and operated in accordance with the instructions for proper maintenance or use set forth in the Vehicle Owner's Manual and accompanying Maintenance Schedule booklet, the separate Warranty Booklet containing all Warranties provided with the vehicle and the ICI's Maintenance Instructions as supplied with the vehicle.
- 2 The vehicle fails to conform during the Limited Warranty Term to the applicable emission standards of an EPA-approved I/M test, and
- 3 The failure to conform results or will result in the Vehicle Owner having to bear any penalty or other sanction (including the denial of the right to use the vehicle) under local, State or Federal law.

If all the foregoing conditions are met, the named ICI (Warrantor) warrants that it will adjust, repair or replace, at no charge to you, any of the following parts which may be necessary to bring the owner's vehicle into conformity with applicable emission standards:

Part 2: DESCRIPTION OF EMISSION CONTROL SYSTEM PERFORMANCE WARRANTED PARTS (ONLY PARTS LISTED BELOW ARE COVERED UNDER PART 2 OF THIS LIMITED WARRANTY)

SYSTEM:

CRANKCASE CONTROL SYSTEM:

EVAPORATIVE EMISSION CONTROL SYSTEM:

EXHAUST GAS RECIRCULATION (EGR) SYSTEM:

EXHAUST SYSTEM:

FUEL SYSTEM:

IGNITION SYSTEM:

INTAKE AIR AND IDLE CONTROL SYSTEMS:

SECONDARY AIR INJECTION SYSTEM:

Miscellaneous hoses, clamps, brackets, piping, bolts and gaskets associated with these systems also are covered.

Note: Your car may not be equipped with all parts listed.

For vehicles that have been in operation less than both 2 years and 24,000 miles as of the Limited Warranty Effective Date the Emission Control System Performance Limited Warranty begins on the Limited Warranty Effective Date and continues for 5 years or 50,000 miles, whichever occurs first. If the owner's vehicle has been in operation for more than either 2 years or 24,000 miles as of the Limited Warranty Effective Date, the Emission Control System Performance Limited Warranty begins on the Limited Warranty Effective Date and continues for 2 years or 24,000 miles, whichever occurs first.

Note: The Emission Control System Performance Limited Warranty does not apply to any vehicle that has been in operation for 60,000 miles or more as of the Limited Warranty Effective Date.

PARTS:

Breather chamber assembly, PCV valve

Canister (includes purge control diaphragm valve), filter neck, cap, cut-off valve and liquid / vapor separator assembly, purge control solenoid valve, thermovalue, two-way valve

Constant vacuum control valve (CVC valve), EGR control solenoid valve, EGR valve assembly (includes lift sensor), electronic control unit (ECU)

Catalytic converter

Bypass control system, bypass control diaphragm, bypass control solenoid valves A and B, bypass valve body assembly, check valve and vacuum tank, fuel injection system, cylinder sensor, electronic control unit (ECU), fuel injector, electronic control solenoid valve, injector resistor, MAP sensor, oxygen sensor, PA sensor, speed sensor, TA sensor, TDC sensor, throttle angle sensor and TW sensor, fuel pressure regulator, regulator control solenoid valve

Distributor assembly, IGADJ sensor, igniter and vacuum advance diaphragm, spark plugs (covered up to the first replacement interval)

Air filter (covered up to the first replacement interval), automatic transmission indicator switch, dashboard oil pressure warning and check valve, electronic air control valve (EACV), idle up valve and control solenoid valve, oil pressure switch, speedometer (speed sensor), throttle body assembly

Air suction control solenoid valve, air suction valve assembly, check valve and vacuum tank.

GENERAL

The ICI (Warrantor) does not authorize any person to create for it any obligation or liability other than that expressly set forth herein in connection with the owner's vehicle. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to all vehicle owners.

This Limited Warranty gives specific legal rights to the Vehicle Owner and may also involve other rights which vary from State to State.

CLAIMS PROCEDURE TO BE FOLLOWED BY VEHICLE OWNER

Take owner's vehicle to the ICI (Warrantor) to obtain service under the Emission Control System Defect Limited Warranty or Emission Control System Performance Limited Warranty. Call the Administrator on the toll-free number listed below for assistance and authorization to perform the adjustment, repair or replacement.

If the ICI's (Warrantor's) facility is not within 50 miles, call the Administrator for assistance in locating an authorized repair facility and for authorization. Adjustments, repairs or replacements under this Limited Warranty may be performed by any qualified repair facility that is authorized by the Administrator. **IMPORTANT: THE WARRANTY HOLDER ASSUMES ALL LIABILITY FOR PAYMENT OF UNAUTHORIZED REPAIRS.**

Those adjustments, repairs or replacements qualifying under a Limited Warranty will be performed at no charge to the Vehicle Owner. Adjustments, repairs or replacements that do not qualify will be charged directly to the vehicle owner. In all cases, if an adjustment, repair or replacement is covered under a Limited Warranty, the Vehicle Owner will be notified within a reasonable time (not to exceed 30 days) after receipt of the vehicle by the authorized repair facility, or within the time period required by State or local law. Exceptions will be allowed only if the Vehicle Owner requests or agrees to an extension, or if a delay results from events beyond the control of the ICI (Warrantor) or the authorized repair facility. If the Vehicle Owner is not so notified, the Vehicle Owner may be eligible to receive all required emission performance repairs at no charge.

If after your claim has been correctly processed, you believe you did not get the Limited Warranty coverage described, you may contact Warranty Complaint, Field Operations Support Division (N-3877) Environmental Protection Agency, 401 M Street, N.W., Washington D.C. 20460.

The ICI's (Warrantor's) obligations hereunder are insured by a contractual liability insurance policy. If a valid claim has not been paid within sixty (60) days after a proof of loss has been filed, a direct claim against the issuer of such policy may be made as follows: Automobile Consumer Service Corporation, P.O. Box 1231, Huntsville, AL 35811.

For Assistance, call or write the Administrator:

Automobile Consumer Service Corporation
P.O. Box 1231
Huntsville, Alabama 35811

Toll-Free Phone Number

1-800-824-7059

The Administrator does not assume, and specifically disclaims, any liability to you, the Warranty Holder, under this Warranty. The liability of the Administrator is only to the ICI (Warrantor) in accordance with their separate agreement.
